

Sports Premium Grant Report: 2017/18

Number of pupils and sports premium received	
Total number of pupils on roll	415
Total amount of PPG received	£20,150

The PE and sport premium is designed to help primary schools make additional and sustainable improvements to the provision of PE and sport activities for the benefit of all pupils to encourage the development of healthy, active lifestyles. £16,000 is received by each school, plus an additional £10 per pupil in years 1 to 6.

At Grove, children have access to a wide ranging PE curriculum and a range of sports based extra-curricular clubs. From an early age, competitive sport is nurtured and encouraged as we work with PASS Wolverhampton (Partnerships and School Sport) and WASPS (Wolverhampton Association for Sport in Primary Schools). Tournaments are also organized across the trust schools to enhance the opportunities for pupils to take part in competitions. A coherent programme of study is designed to provide pupils with a variety of opportunities to improve their knowledge and skills. Investment from the sports premium goes into some sports equipment to ensure a greater variety of PE that the school already offer, and to ensure that appropriate staff training is in place.

Skills are taught through P.E. lessons and through a variety of sports provision offered after school, partly through specialist sports staff. There are teams that are run (for example football) throughout the year, that take part in competitions and leagues. There are also 'one-off' tournaments that pupils take part in to enable a range of opportunities throughout the school year. As well as this, there are locally arranged events to encourage children to enjoy sports and physical activities with pupils from other schools (for example dance and multi-sports).

The allocation was spent on the following:		
Item	Description	Funding allocated
Staff professional development	Release time for some staff to attend external courses and whole school staff training on an aspect of physical education, for example balance and coordination.	£2,000
Sports equipment for PE lessons	Equipment to improve the range of sports currently taught in PE lessons was bought including dodgeball, table tennis and fitness equipment,	£5,000
Physical activity equipment for Early Years	A range of equipment and resources to promote physical activity that is age specific	£2,000
PE kit for every pupil and sports kit for representative sports	To raise the aspiration and importance of physical activity, the school has purchased a PE kit for every pupil as well as appropriate kits to enable greater participation in representative competitions.	£3,650
Extra-curricular sports and fitness clubs	Through our sports coach, 2 sports clubs per week are on offer to pupils. These clubs vary in their focus from term to term.	£1,800
Play Leader and sports coach (lunchtimes)	A range of physical activities are on offer to pupils at lunchtimes with guidance from the play leaders and a sports coach.	£4,000
Lunchtime sports equipment	A range of equipment to deliver lunchtime and playtime activities is used by pupils to engage in physically active games.	£1,000
Active Leaders Training	Specific training, provided by Wider Learning, enables pupils in Y5 and Y6 to lead fitness activities for younger children.	£700
Total		£20,150

Year 6 swimming:

52% of pupils can swim competently, confidently and proficiently over a distance of at least 25 metres

58% of pupils use a range of strokes effectively

32% of pupils can perform safe self-rescue in different water based situations
