How can I help my child?

Spare Clothes

Sometimes our children will have toileting accidents at school or get a bit wet when they are playing in the water. We would appreciate it if the children could keep a bag on their peg with spare pants, trousers and socks so that if they are wet we can change them. You can leave this bag at school if you wish to.

Outdoor Play

We will go out to play in most weather and it is important that the children are appropriately dressed. In the wet weather please feel free to bring wellies to school and we will put them on when we go outside. The children will always need a warm, waterproof coat in school and a hat and gloves in the cold weather.

Snack Time

The children will be given a snack and drink at school every day. This is always a piece of fruit or a vegetable and water or milk. We ask that the children do not bring any other snacks or drinks to school so all children in Nursery have the same.

Nursery Curriculum Spring Term

In this leaflet, you will find out about what your child will be learning during this term and how you can help them at home.

It gives you information about what is going to be taught in all areas of the curriculum in school and suggests some ways in which you can get involved and help out at home.

We see this as a great opportunity for you to share in your child's education.

On the back page you will find further information regarding how Nursery works and things we will be very grateful if you can remember.

Thank you for your support!

Nursery Staff

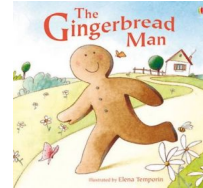

7th and 14th January Winter

Over the two weeks we will be learning all about winter. At home talk to the children about the change in weather, winter clothes we need to wear to keep warm And animals that live in wintery conditions all the time like penguins and polar bears.

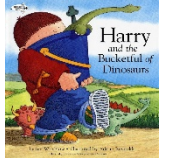

21st and 28th January The Gingerbread Man

Over the two weeks we are reading the traditional story 'The Gingerbread Man.' At home talk to the children about the story, who the characters are. You could even try to baking or decorating some Gingerbread men at home.

4th and 11th February Dinosaurs

During these weeks we will be learning all about dinosaurs. At home you could read some story or information books about dinosaurs together, you could borrow some of these from your local library for free. You could create a picture of your child's favourite dinosaur and send it in to share with us.

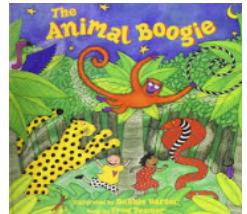

25th February and 4th March Being Healthy

This week we will look at the different things we can do to be healthy including healthy eating and being active. At home you could try to do some cooking together, look at different fruits and vegetables and talk to the children about their favourite food. Maybe they could draw and write about it with you to bring in to show us.

11th and 18th March The Animal Boogie

This week we will be reading the story 'The Animal Boogie' and talking about the different animals in the story. At home you could look at animals that live in the jungle and talk about what they look like and the different markings they have.

12th and 19th March Old McDonald had a Farm

Over the two weeks we will be learning about different animals who live on the farm and the names of the animals and their babies. At home you could visit a farm and draw and write about the animals you see or watch 'Down on the Farm' together on C-Beebies.

26th March Easter

This week we will be talking about how Easter is a special celebration for Christians. At home talk about the different signs of Easter you see such as Easter eggs, chicks and spring flowers and the special celebrations you have at home.
