

Remote Learning – Year 1 – W/C 04.01.2021

Below are a list of activities that children can complete over the course of the week. These are a mixture of videos to watch, games or activities to access online, as well as plenty of activities that require very few resources. Wider Curriculum activities will cover different aspects of Science, Thematic, RE and Computing whereas the Wellbeing activities will cover different aspects of PSHE and PE. If you have any questions or would like to share some of the work your child has completed, send the Year 1 team an email at remotelearning1@groveprimary.org.uk

	Wednesday	Thursday	Friday
Reading	<p>Speed Sound – ar <i>Click on the link and follow the phonics!</i> Speed Sounds Ten Little Pirates <i>Watch the story below. Can you remember what happened to some of the little pirates?</i> Video</p>	<p>Speed Sound – or <i>Click on the link and follow the phonics!</i> Speed Sounds Ten Little Pirates <i>Watch the story again. What numbers rhyme with the words: fine, fix, heaven, mate, alive, man-o-war, do, and sea?</i> Video</p>	<p>Speed Sound – air <i>Click on the link and follow the phonics!</i> Speed Sounds Ten Little Pirates <i>What happened to all the pirates at the end of the story? Can you retell the story to an adult?</i> Video</p>
Writing	<p>My Favourite Little Pirate <i>Draw a picture of your favourite little pirate and write about what happened to them. Why not send your picture and writing into our remote learning email address?</i></p>	<p>Describe the Ship <i>Describe the ship. What adjectives can you use?</i> <i>For example:</i> <i>The ship has a black flag.</i> <i>Can you write 3 sentences? Don't forget your finger spaces!</i></p>	<p>Message in a Bottle <i>Pirates write a message and put it in a bottle when they are lost and stuck on an island. Write your own message to get help! Talk to an adult about what you could write in your letter and then have a go!</i></p>
Maths	<p>Number bonds <i>Practise your number bonds to 10. Remember your body counting. Can you do number bonds to 20?</i> Number Bonds</p>	<p>Measuring in Centimetres <i>Measure the objects using the ruler – level one. Can you measure the objects on level two?</i> Measuring <i>If you have a tape measure or ruler at home, why not measure different objects around the house and make a list?</i></p>	<p>Addition <i>Can you match the addition Maths Story to the correct robot? See if you can add up 20!</i> Addition</p>
Wider Curriculum	<p>Science – Materials <i>Click on the different objects in the bedroom to find out what material they are made from. Can you find any objects made from that material in your home?</i> Materials</p>	<p>RE – Who is important to me? <i>Draw a picture of somebody who is really important to you. It might be a friend or a family member or even a singer you like.</i> <i>Write a sentence to say why they are important to you. You can share your work by emailing us!</i></p>	<p>Thematic – What is a pirate? <i>Talk to an adult about what you think a pirate is. What do they do? What do they look like? Are they nice? Where do they live?</i> <i>Write a list of any pirates you know of or where you've seen them before with an adult.</i></p>
Wellbeing	<p>PE – Pirate Dancing <i>Can you copy the pirates and do the pirate dance?</i> Pirate Dancing</p>	<p>PSHE – Money <i>Talk to an adult about money. What is it? Why do we use it? What type of money do we have? Are there any coins in the house that you can look at and identify?</i></p>	<p>PE – Work out <i>Can you get your heart pumping by doing these exercises? Why not get other people involved too?</i> Work Out</p>
